Thick and creamy with a rich tangy flavor.

HISPANIC CHEESE MAKERS - NUESTRO QUESO® AÑEJO

For those of us who faithfully tend to the artisanship of cheesemaking, we embarked on a mission to innovate and create a Mexican style cheese so unique, delicious and versatile that it would amaze and delight the palates of even the most discerning cheese lovers. After years of travel and working with both Latino families and chefs, we persuaded our team to set aside and consider the best characteristics of the Chihuahua Mexico style melting cheeses and the intensely vibrant flavors from the Michoacán Mexico style Cotija cheeses in order to create a cheese with an identity all its own. Our journey brought us to introduce what we affectionately refer to as our **Queso Añejo**.

Our Queso Añejo is a cultured Mexican style cheese that we age for over 8 months. One bite and you sense the deep, complex and distinctive flavors that come with aging. Our creation combines the zest and crumbling of Cotija cheese with the creamy melting of the Chihuahua style cheeses. This innovative cheese simply delights the senses. It is a unique creation inspired by what people love most about these traditional Mexican cheeses - Its individual character and depth of the intensely vibrant flavor notes.

It is the only Mexican style cheese you can both crumble over dishes like a Cotija or use as a melting cheese at the same time. The Hispanic chefs that tried this cheese raved about the deep unique flavors, the creamy melting and its versatility. Discover our Queso Añejo and delight your senses!

Our Queso Añejo is 100% Natural, rBST/rBGH Free, Non-GMO and Gluten Free.

USES & APPLICATIONS: Enjoy our zesty Queso Añejo as a taste enhancer crumbled over all your tacos, elotes (Mexican street corn), chilaquiles, enchiladas, refried beans, guacamole, sauces, pastas, soups, and salads. But don't stop there also enjoy our Queso Añejo as a melting cheese in quesadillas, baking dishes, fondues, pizza, lasagna, casserole dishes, queso fundido, omelets, and burgers.
