HISPANIC CHEESE MAKERS-NUESTRO QUESO QUESO BLANCO

- ✓ Is a very popular Caribbean cheese. It is mild, firm yet smooth in texture and softens without melting. This culinary wonder doesn't separate into solids and oils when heated or grilled.
- ✓ It becomes soft on the inside. When you bite into it, it squeaks like a fresh cheese curd and rewards you with a buttery creaminess found in only the best mild cheeses.

USES AND APPLICATIONS

- ✓ Queso Blanco is firm, and yet smooth in texture, very similar to Hispanic Cheese Makers (Nuestro Queso) Fresco. Great for grilling, pan frying and deep frying. Delicious when eaten with fresh fruits, jams, or salads.

GEOGRAPHIC DENOMINATION: CARIBBEAN AND SOUTH AMERICAN - TEXTURE: SEMI SOFT - FLAVOR: LIGHTLY SALTED

FORMATS: SQUARES, TABLETS, LOAFS
